## VALUABLE ITEMS

Essential Protection  
for Valuable Possessions

## TRAVELERS WORKS HARD TO PROTECT THE VALUABLES YOU'VE WORKED HARD TO ACQUIRE

### VALUABLE ITEMS PLUS

#### Builds on your homeowners policy

People who own valuable possessions need broader coverage than a basic homeowners policy provides. Now you can enhance your Travelers Homeowners policy with the Valuable Items Plus endorsement.

While homeowners insurance pays for loss or damage from certain causes, such as fire, theft and other named perils, Valuable Items Plus expands coverage to protect your valuables from loss caused by additional perils (subject only to a few common exclusions).

Now you can purchase up to \$50,000 of coverage for jewelry, antiques, paintings, tapestries, statues and other fine arts and as much as \$20,000 coverage for silverware or furs. The maximum payment for any one article is \$10,000\*. In addition, you pay no deductible. When you compare these higher limits with the totals paid by traditional homeowners insurance for losses of personal articles, the difference is clear.

It's easy to add Valuable Items Plus protection. No appraisals or other extra steps are involved because this is blanket coverage for all of the property you select to insure. So if you have a Travelers Homeowners policy and valuables that mean a lot to you, consider the advantages and affordability of Valuable Items Plus.

*Note: If your homeowners policy has been extended to cover personal property on a replacement cost basis, such coverage will apply to Valuable Items Plus as well.*

\*The maximum payment for any one article is \$20,000 in the following states: AL, AR, MD, MA, MS, NJ, SC, GA

### PERSONAL ARTICLES FLOATER

#### Separate protection for high value assets

If you own valuable, rare or irreplaceable items, such as collectibles or antiques, you may prefer the comprehensive protection offered by the Personal Articles Floater.

In case of a covered loss, this specialized coverage allows you to recover the value of an item (based on a recent appraisal or bill of sale). This policy provides coverage for Jewelry and Fine Arts at an amount you and Travelers agree upon. For other items, the policy provides either actual cash value, cost to repair, cost to replace or up to the insured amount, depending on what happens to the item and its current value.

The Personal Articles Floater is the right policy for people who have carefully selected and invested in items with values exceeding the limits of either a homeowners policy or homeowners policy with Valuable Items Plus.
